

Cabot Youth Football

Congratulations! You have been selected to be a Head Coach for the 2011 football season. We are glad you have chosen to serve your community through our association. Coaching in the Cabot Youth Football Association is a privilege, and with that comes many responsibilities. We want to continue to build upon the rich tradition of Cabot football. With that in mind, following are some important expectations for the 2011 season.

● Although we will make every attempt to keep you informed, it is ultimately your responsibility to check the association's website – www.cabotyouthfootball.com – for the latest news and information. It is also your responsibility to attend all scheduled meetings. Our general monthly meeting is held on the 3rd Wednesday of every month at 7:00pm at the Cabot Parks & Recreation office located on Richie Road.

● All coaches are expected to keep their sidelines / fans orderly and respectful. It is our experience that this is done by example. Treat all referees, coaches, CYFA Board Members, fans, and players with respect at all times. Failure to do so will ultimately result in disciplinary action taken by the CYFA Board as outlined in the CYFA ByLaws.

● All coaches should have at least one assistant coach and a Team Mom. Most successful coaches choose a three coach format – an offensive coach, a defensive coach, and a sideline coach. If you have been selected as a head coach, and are in need of an assistant coach, please let us know. We have several applicants that were not selected as a head coach because of their lack of experience. We would love to help you get in touch with someone who is willing and ready to give of their time and talents to this league.

● All teams are expected to participate in all functions offered by the Cabot Youth Football Association.

These functions include but are not limited to opening day ceremonies, CYFA sponsored tournaments, all regular season games and postseason play, as well as any other special events sponsored by the association.

● It is ultimately the Head Coaches responsibility to see that the team's sponsor is given an appreciation plaque or gift. This is very important and will be adhered to closely by the CYFA Board. Sponsorships are vital to the success of the Cabot Youth Football Association. Failure to see that your sponsor is shown proper appreciation will affect your selection as a coach in this league in future years.

I agree to uphold the rules of the CYFA as outlined in the Constitution and its ByLaws as well as those responsibilities listed above. I realize that failure to comply may result in disciplinary action against me, and may affect my selection as a coach in future years. I have read and agree to the statements contained herein.
