

# Cabot Youth Football

February 3, 2012

Ladies and Gentlemen,

On behalf of the Cabot Youth Football Association, I would like to take a moment to ask you to consider being a part of the 2012 football season. Cabot has one of the premier youth football programs in the state and it's all possible because of local businesses like yours that are willing to support the youth in our community.

Last year we had approximately 410 children between the ages of 5-12 that participated on 30 teams. This CYFA has grown tremendously over previous years and we expect even more growth this year. We are thankful to the many people that are willing to invest their time and effort to benefit our youth. Those include coaches, parents, cheerleaders, referees and fans. However, none are more appreciated than those who are willing to help financially. Without you, none of this would be possible. Your sponsorship donation will enable us to provide each team with equipment, resources and support necessary to make this season a positive experience for all and to continue to promote Cabot Youth Football for years to come.

Football requires a considerable investment. Additionally, the CYFA must pay for insurance, equipment storage, footballs, cones, referees, and scholarships for players who would otherwise be unable to participate due to financial hardship.

The cost of sponsorship is \$500 per team payable to the Cabot Youth Football Association, a non-profit organization. With your sponsorship we will proudly place your company logo on your team's jersey and will also present you with a team picture and plaque at the end of the season. We also invite you to be an integral part of your team and will furnish you with free passes to attend any of the games during the season so you can cheer your team to victory.

The CYFA has obtained a 501(c)(3) status as a non-profit organization. Donations are tax deductible and we encourage you to consult with your tax advisor on the regulations surrounding the tax exemptions that apply to your donations.

Thank you for your financial consideration. Be sure to keep up with the latest news of the CYFA by visiting our website at [www.cabotyouthfootball.com](http://www.cabotyouthfootball.com) and follow us on [Facebook](#). If you have any questions involving sponsorship for the upcoming season, feel free to contact me or any member of the Executive Committee.

Sincerely,

Schan Hill, President  
Cabot Youth Football Association
