

Cabot Youth Football

Apr. 18, 2007
Meeting Minutes

1. Call to Order
Greg Sled

2. Financial Report
Keith Reynolds reported \$5600.00 in the bank, no changes from previous report.

3. Announcement
Tammy Gately has resigned her position as President in writing to the Executive Committee. Following the rules set forth in the Constitution, Vice President Greg Sled will assume the President seat from this point forward. Secretary Darren Collins will assume the duties of Vice President until the vacancy is filled.

4. Election Announcement
An election will be held at the May Executive Committee meeting to fill the vacant seat. Association members were encouraged to attend. If an existing board member fills the vacant seat, elections will continue to fill each empty seat, until all Executive Committee seats are filled.

5. Coach Selections and Background Checks
The Executive Committee set a date of April 25 to meet and determine initial coaching assignments. The applications were still with Tammy at this time. Once the initial assignments were made, it was agreed again, that background checks must be done, and coaching announcements would be made pending completion of the checks.

6. Opening Ceremonies and Camp Committees
Assignments were made for these Committees as follows:

Opening Ceremonies:

Mike Noack
Darren Collins
Tommy Burton

Camp:

Steve Boyles
Keith Reynolds

7. Uniforms
Uniforms were discussed briefly. A recommendation was made not to use the pants with integrated pads due to cost. While the cost would roughly be the same versus pants without pads if pads were purchased simultaneously, registration fees would have to be increased which we prefer to avoid if at all possible. It was also noted that a lot of folks already had pads, so they would only need pants for games, and the additional cost of the integrated pants would be an extra expense for many.

8. Adjourn
