A. April Rules Vote

Two additional rules changes were voted on as presented by the 2008 Rules Committee. These rules were excluded from the March ballot by the Executive Committee but were placed back on a ballot for the April meeting by a motion from the floor and majority vote of the members present.

1. Add the following rule to the CYFA By-Laws concerning age cut-offs and player eligibility: "All leagues existing within CYFA will be limited to a maximum separation of 24 months between respective cut-off dates.

\* NOTE. Though it pertains to all, this rule will only affect the current Pro league reducing its eligibility window from 2 years - 8 months to 24 months. This rule would not prevent the creation of new leagues or the reorganization of current leagues to accommodate this new requirement.

26 NO

6 YES

2. Should the CYFA conduct a 100% redraft each year after registration with each team being allowed three player locks? If approved, items #3 and #4 from the March ballot will be disregarded.

\* NOTE. If this passes, references to returning players, lock priority, and draft order will be removed from the By-Laws. Draft order would be determined by a lottery.

25 NO

7 YES

B. Coaching Assignments

Coaching assignments for the 2008 season were announced. Coaches without a team (those new to a particular league this year), drew for open teams. Vacancies exist in both the Semi-Pro and the Mini-Camper leagues.

C. Vendors (Referees, Uniforms, Other)

Vendors are being contacted to submit bids. They will be invited to the May meeting if they would like to submit in person but may submit them without attending.

D. May meeting with Parks and Rec
